

The whole premise of the Spiderman movies is "with great power comes great responsibility." This is also true for Christ-followers: "From everyone who has been given much, much will be demanded; and from the one who has been entrusted with much, much more will be asked" Luke 12:48.

We have a great power which is found in Jesus. And the Power that Jesus showed on this earth is in you... if you have Christ. "Christ in you, the hope of glory." Colossians 1:27. When you receive Jesus in your life, you are welcoming the power of the Gospel and God into my life. If you know Jesus within you, you know power. What does that power look like in me and you? How is that power lived out in us? Here are three things that we can do with that power.

We have 1) the power to choose good over evil, 2) the power to forgive and be forgiven, and 3) the power to heal and be healed.
